TRANSFERS & REFUNDS:

If you are not completely satisfied with a class, activity and/or rental, please contact us so we can respond to your concerns. In addition to using your feedback to help us improve, we will arrange for one of the following:

- **For programs** – placement into another class, credit for future enrollment or a refund.
- **For rentals** – reschedule facility rental or refund. Refunds will only be allowed due to cancellations prior to the rental date. The rental contract must be returned to the Parks & Recreation office at least 1 day prior to the scheduled rental.

All refunds for programs and facility rentals will be assessed a fee of \$10 or 10% of the total fee, whichever is higher.

All prices are subject to change.

RETURNED CHECK POLICY

The City of Bryan will assess a \$15 service charge for all returned checks. Participation in leagues, classes, programs and/or facility rentals will not be allowed until the check and service charges are paid in full.

PROGRAM INFORMATION

Programs and classes will meet at City of Bryan, Parks & Recreation, BISD and area business facilities. Specific class information will be given to each participant upon registration.

CANCELED CLASSES

The Parks & Recreation Department reserves the right to cancel classes, change times and locations, and to substitute instructors as deemed necessary. Classes will be canceled 24 hours in advance of the scheduled start date if the minimum enrollment numbers are not met.

MEDICAL POLICY

The Parks & Recreation Department will not prohibit any person from participating in an activity due to a medical condition or handicap, unless such condition is likely to cause injury to that individual or to other activity participants.

LIABILITIES

The City of Bryan cannot be held responsible for any loss, material or otherwise, incurred while following an instructor's directions. The City of Bryan is not responsible for any personal property left at any class site. Students take classes at their own risk.

EQUAL OPPORTUNITY

The Parks & Recreation Department invites the community to participate in and enjoy programs and facilities regardless of race, color, religion, sex, national origin or disability.

PAVILION RENTAL FEES

Picnic pavilions are available for rental. Most parks have family-oriented accommodations with lighted pavilions, restrooms, playgrounds, volleyball courts, tennis courts, basketball courts, nature trails, exercise trails, picnic tables and barbecue grills.

SCUBA

For more information or to register, go to parks.bryantx.gov.

The City of Bryan is proud to partner with AggieLand Scuba to offer PADI Open Water Diver Scuba courses. The course will be held in various locations with the pool diving portions of the class at the Bryan Aquatic Center and classroom presentations and exams at AggieLand Scuba.

In this course you will complete 5 knowledge development sections with quizzes and exams, 5 confined water (pool) dives, and 4 open water dives held at various locations around our area. The open water dives will be held on a separate weekend from the classroom & pool portions of the course and will be scheduled with the instructor during your class sessions.

In the PADI Open Water Diver course, you learn to use basic scuba gear including a dive computer and standard accessories. The equipment you wear will be chosen by AggieLand Scuba representatives to ensure your comfort throughout the course.

Your instructor will contact you the week before the class starts to set up a time to fit you for the equipment used in the class and to get the required reading material.

Location: Bryan Aquatic Center

Ages: 16 years and up

Fee: \$400

SPRING Sessions - Saturdays / 11:30 AM – 5:30 PM

March 7, 21 | April 4, 18 | May 2, 9, 30

SUMMER Sessions - Saturdays & Sundays / 8 AM – 11:30 AM

August 1, 8, 15, 22, 29 | September 5, 12, 19, 26

Prerequisites:

- 16 years of age or older (Ages 10-15 must call if interested in registering for the course)
- Some swimming ability is required. You need to have basic swim skills and be able to comfortably maintain yourself in the water. Your PADI Instructor will assess this by having you:
 - Swim 200 yards. There is no time limit for this, and you may use any swimming strokes you want.
 - Float and tread water for 10 minutes, again using any methods you want.

Please be sure to review the receipt documents for this course and return them filled out to your instructor on the first day of class.

AMERICAN RED CROSS LIFEGUARD COURSE

Bryan Parks & Recreation has been recognized by the American Red Cross as a top-level training provider in Texas for lifesaving skills certifications! Come train with the best!

The purpose of the American Red Cross Lifeguard Training course is to teach lifeguard candidates the skills and knowledge needed to prevent and respond to aquatic emergencies. The course content and activities prepare candidates to recognize and respond quickly and effectively to emergencies. The course includes Lifeguarding, CPR/AED and First Aid. Upon successful completion of the Lifeguard Training course, each participant will receive the American Red Cross Universal Certificates; indicating Lifeguard Training, First Aid, and CPR/ AED for Lifeguards that are valid for 2 years.

To be eligible for the course, candidates must:

- 15 years of age by the end of the class
- Pass a pre-course screening of swimming skills:
- 300-yard continuous swim
- Tread water for 2 minutes only using arm pits
- Candidates must either hold a life preserver or place arm pits
- Time limit: Swim 100 yards, retrieve 10 lb brick from 10 ft depth, swim back 20 yards, and climb out of pool without using a ladder in 1 minute 40 seconds

Certification requirements:

- Demonstrate competency in all required skills
- Demonstrate competency in the three final skill scenarios
- Correctly answer at least 80% of the questions in each of the four sections of the final written examination

Location: Bryan Aquatic Center

Ages: 15 years and up / Fee: \$150 Resident/\$165 Non-Resident

WATER FIT

The City of Bryan's Water-Fit class is designed to push anyone, of any fitness level. This four-week class meets twice a week at the Bryan Aquatic Center and focuses on aerobic conditioning and toning of the body by using the resistance of the water and a variety of challenging aquatic exercises. Water Fit is definitely a step up from water aerobics and your body will know it when the work out is over. It's also a great option for those who are limited by orthopedic issues when it comes to traditional land-based fitness programs.

There are two options to register:

- 1) Register at any time for a full 4-week session, with any classes already completed prorated from the fees.
- 2) Sign up for classes on an individual day of your choosing.

AQUA YOGA

Aqua Yoga is a fun and effective take on traditional Yoga postures in an aquatic environment! The water causes less stress on joints in many of the different postures and allows many people to complete poses they might not be able to achieve on land. The currents of the water also add additional challenges for other postures creating more opportunity to building strength with Yoga. Come experience the completely new world of Aqua Yoga where the water adds deeper relaxation and new challenges to the amazing effects of Yoga!

This class does have a 5-person minimum and is subject to cancellation if minimum participant counts are not met.

CLASS DESCRIPTIONS

Waterbabies: Holding and support techniques demonstrated by the parent; water safety topics discussed.

Preschool Level 1: In Preschool Aquatics Level 1, your child is introduced to basic skills. These skills lay the foundation for developing water competency and the future skill development of swimming strokes. In addition, your child starts to develop positive attitudes and safe practices around the water. Certain milestones are necessary for successful completion of Preschool Aquatics Level 1, including:

- Entering the water independently using ramp, steps or side and travel at least 5 yards.
- Submerging mouth and blowing bubbles for at least 3 seconds.
- Exiting the water safely.
- Gliding on front for at least 2 body lengths with support.
- Rolling to back and floating for 3 seconds with support.
- Recovering to a vertical position with support.

It is quite common for children to participate in several sessions of Preschool Aquatics Level 1 before they are able to successfully demonstrate all the skills. That's okay! It is not important how quickly they move through a level, but that they achieve each skill.

Preschool Level 2: In Preschool Aquatics Level 2, our instructors follow a plan to introduce new swimming and water safety skills that are developmentally appropriate for young children. This level continues laying the foundation for developing water competency and further skill development. Preschool Aquatics Level 2 marks the beginning of independent aquatic locomotion skills. Children continue to explore using simultaneous and alternating arm and leg actions on the front and back to gain greater proficiency in preparation for performing strokes. Some of the milestones achieved in Preschool Aquatics Level 2 include:

- Gliding on front at least 2 body lengths.
- Rolling to back, floating on back for 15 seconds, then recovering to a vertical position.
- Gliding on back for at least 2 body lengths.
- Rolling to front, then recovering to a vertical position.
- Swimming using combined arm and leg actions on front for 3 body lengths.
- Rolling to back, floating for 15 seconds, rolling to front then continuing to swim on front for 3 body lengths.

Preschool Level 3: In Preschool Aquatics Level 3, our instructors follow a plan to introduce new swimming and water safety skills that are developmentally appropriate for young children and help further your child's development of water competency.

Some of the milestones in Level 3 include:

- Stepping from the side into chest-deep water.
- Pushing off the bottom and moving into a treading or floating position for 15 seconds, swimming on front and/ or back for 5 body lengths and then exiting the water.
- Moving into a back float for 15 seconds, rolling to front then recovering to a vertical position.
- Pushing off and swimming using combined arm and leg actions on front for 5 body lengths.
- Rolling to back, floating for 15 seconds, rolling to front then continuing to swim for 5 body lengths.

All Preschool Level 3 skills are performed independently.

Youth Level 1: For every level of Learn-to-Swim, our instructors follow a plan to introduce new swimming and water safety skills and build on previously learned skills. Each class is loaded with fun, engaging and challenging activities that motivate children to want to perform and learn to swim.

In Level 1—Introduction to Water Skills, your child is introduced to basic skills as the foundation for future skills and the development of water competency (the basic minimum skills needed for water safety). Certain milestones are necessary for successful completion of Level 1, including:

- Entering the water independently using the ramp, steps or side.
- Traveling at least 5 yards, bobbing 5 times and then safely exiting the water.
- Opening eyes underwater and retrieving submerged object.
- Gliding on front with assistance at least 2 body lengths.
- Rolling to a back float for 5 seconds with assistance.
- Recovering to a vertical position with assistance.
- Combined arm and leg actions on front and back with assistance.
- Alternating and simultaneous arm and leg actions on front and back with assistance.

It is common for children to participate in several sessions of Level 1 before they successfully demonstrate each skill. That is okay! It is not important how quickly they move through a level, but that they acquire each skill.

GOLDLEVEL
LEARN-TO-SWIM PROVIDER

**American
Red Cross**

Bryan Parks and Recreation is proud to partner with the American Red Cross Learn-to-Swim program – a program that has been teaching swimming and water safety for over 100 years across the country.

Youth Level 2: Level 2—Fundamental Aquatic Skills builds on skills learned in Level 1. Your child begins to perform skills at a slightly more advanced level and begins gaining rudimentary propulsive skills on both the front and the back. This level marks the beginning of independent aquatic locomotion skills.

Our instructors follow a plan to introduce new swimming and water safety skills and build on previously learned skills, including the development of water competency (the basic minimum skills needed for water safety). Each class is loaded with fun, engaging and challenging activities that motivate children to want to perform and learn to swim.

Some of the milestones that are necessary for successful completion of Level 2 include:

- Stepping from the side into chest-deep water.
- Fully submerging and holding breath.
- Pushing off the bottom, moving into a treading or floating position for at least 15 seconds, swimming on front and/ or back for 5 body lengths and then exiting the water.
- Moving into a back float for 15 seconds, rolling to front and then recovering to a vertical position.
- Pushing off and swimming using combined arm and leg actions on front for 5 body lengths, rolling to back, floating for 15 seconds, rolling to the front and then continue swimming for 5 body lengths.

Youth Level 3: In Learn-to-Swim Level 3, our instructors follow a plan to introduce new swimming and water safety skills and to build on previously learned skills. Your child learns to swim the front crawl and elementary backstroke at rudimentary levels, is introduced to the scissors and dolphin kicks, learns the survival float and increases the time duration for treading water. Your child also learns the rules for headfirst entries and begins to learn to enter the water headfirst from a seated position at poolside (if the water is 9 feet deep or deeper). Each class is loaded with fun, engaging and challenging activities that motivate children to want to perform and learn to swim and help your child develop water competency.

Some of the milestones in Level 3—Stroke Development include:

- Flutter, scissors, breaststroke and dolphin kicks.
- Jumping into deep water from the side, recovering to the surface, maintaining position by treading or floating for 1 minute, rotating a full turn and then turning as necessary to orient to the exit point.
- Swimming the front crawl and/or elementary backstroke for 25 yards and then exiting the water.
- Pushing off in a streamlined position, swimming the front crawl for 15 yards, changing position and direction, swim-ming the elementary backstroke for 15 yards and then exiting the water.

Youth Level 4: In Learn-to-Swim Level 4, our instructors follow a plan to introduce new swimming and water safety skills and to build on previously learned skills, improving the swimming stroke proficiency and swimming for longer distances. Each class is loaded with fun, engaging and challenging activities that motivate children to want to perform and learn to swim. Some of the milestones in Level 4—Stroke Improvement include:

- Swimming the front crawl for 25 yards.
- Swimming the elementary backstroke for 25 yards.
- Swimming the breaststroke for 15 yards.
- Swimming the butterfly for 15 yards.
- Swimming the back crawl for 15 yards.
- Swimming the sidestroke for 15 yards.
- Headfirst entry* from a stride position (*only if the water is at least 9-feet deep).
- Open turns on the front and back.

Youth Level 5: In Learn-to-Swim Level 5, our instructors follow a plan to refine all six swimming strokes including swimming for longer distances, introduce new water safety skills while building on ones previously learned and perform flip turns on the front and back. The expectations are higher now in regards to distance and quality. Each class is loaded with engaging and challenging activities and drills to build endurance and improve technique.

Some of the milestones in Level 5—Stroke Refinement include:

- Performing a shallow-angle dive into water at least 9-feet deep.
- Performing a tuck and pike surface dive
- Swimming the front crawl for 50 yards.
- Swimming the elementary backstroke for 50 yards.
- Swimming the sidestroke for 25 yards
- Swimming the breaststroke for 25 yards.
- Swimming the back crawl for 25 yards.
- Swimming the butterfly for 25 yards
- Front and back flip turns

Youth Level 6: Focuses on stroke refinement, turning, and endurance.

Adult: Three tracks, depending on skill level: basics, skill/stroke improvement, and fitness.

The Learn-to-Swim program focuses on developing swimming skills in a logical and refined progression that includes not only swimming skills but also teaches participants how to be safe in, on, and around the water.

THE NATIONAL NOTE & FLOAT WATER SAFETY PROGRAM

Bryan Parks and Recreation is committed to providing a fun and safe environment for all swimmers of all ability levels.

Bryan Parks & Recreation is beginning its fourth year of a water safety campaign to help inform the public about water safety and increase safety at our facilities.

Drowning is the number one cause of death for children under the age of 4 and is the 3rd leading cause of death among children under age 14. It occurs quickly and silently and 88% of drowning victims were under some sort of supervision at the time of the incident and 75% of victims were missing for under 5 minutes.

Formal swimming lessons can reduce the risk of drowning by 88% for children aged 1 to 4 years.

Bryan Parks & Recreation is proud to partner with the Aquatic Safety Group's National Note & Float™ Water Safety Campaign to offer life jackets to patrons using our facilities.

This program targets parents with children who cannot swim. The heart of the program is first identifying all non-swimmers who enter the facility, and then floating those swimmers in an appropriately sized life jacket.

As a part of this program Water Wings or "Arm Floaties" are not allowed at Bryan Parks & Recreation aquatics facilities. Only U.S. Coast Guard-approved personal flotation devices will be allowed to be worn in the pools.

The program will follow 6 simple steps:

1. ALL non-swimmers must check in at the facility with a parent/guardian prior to or upon entry to the facility.
2. Parents/guardians and non-swimming children should receive written and verbal site-specific water safety instructions along with "Learn to Swim" information.
3. Parents/guardians will be advised to SUPERVISE their children and keep them within arm's reach.
4. Non-swimmers seven years of age and under (or less than 48 inches tall) must wear a clearly identifiable wristband and a United States Coast Guard-approved life jacket, Type III, and remain in designated shallow water areas. They must also be within arm's reach of a parent/guardian (at least 18 years of age) who is in the water with the child.
5. Non-swimmers ages eight through twelve must wear a clearly identifiable wristband and a U.S. Coast Guard-approved Life jacket, Type III, and must be actively supervised by a swimming parent/guardian (at least 18 years of age).
6. Anyone who wishes to access deep water (greater than five feet deep) must pass the facility swim test or wear a U.S. Coast Guard-approved Life jacket, Type III.

There will be three levels of wristbands to note children at our facilities:

The City of Bryan Note and Float Program will follow a "traffic light" system defined as follows:

Red - Stop!

Must have a parent in the water within arm's reach at all times and must be in a U.S. Coast Guard-approved life jacket at all times in the pool and on the pool deck. If you see a child with a red wristband unattended, please notify a lifeguard immediately.

Yellow - Caution!

Can be in the water without a parent and can dog paddle and/or float on their own, but they are not yet ready for deep water or to go down the slide. If you see a child with a yellow wristband headed toward deep water, please notify a lifeguard immediately.

Green - Go!

Has passed the facility swim test and is able to access all areas of the pool.

If a lifeguard must enter the water to perform a rescue on an individual, the person will be noted with a red wristband and floated in an appropriately sized life jacket if available.

SENIOR CITIZEN VOLUNTEER OPPORTUNITIES

After School Tutors:

(979) 823-2490

The North Bryan Community Center provides educational, recreational and cultural activities for children age 6 to 16. During the school year, they offer an after-school program and tutor 10 - 12 children. In the summer 35 - 40 children go on field trips. The Center has only 1 paid staff member and volunteers provide tutoring and homework help, supervise games, assist on field trips, prepare snacks, organize fundraisers or help keep the building clean.

Aggieland Humane Society:

volunteer@aggielandhumane.org
(979) 775-5755

Arts Council of the Brazos Valley:

www.acbv.org / (979) 696-2787

Arts Council of the Brazos Valley is the umbrella organization for most of the arts-related clubs and associations in the area. It is an excellent place to start investigating arts-related programs in the area and seeing where you might best fit in. The Arts Council welcomes those who would like to volunteer their time and help with events and activities. The ACBV also has a volunteer group, the STAR volunteers, who assist The Arts Council throughout the year while also enjoying quarterly social meetings and activities.

Books to Go:

www.bcslibrary.org/books-to-go
(979) 209-5614

The Bryan + College Station Library System provides a program to deliver books to homebound senior citizens. Deliveries are made every 3 weeks. Participants may renew books by phone or internet if they want to keep materials longer than 3 weeks. Volunteers work with each participant to create a unique reading profile. The reading profile is used to determine what types of books the participant is interested in.

Brazos County Master Gardeners Association:

www.brazosmg.com
Charla Anthony, Program Coordinator
(979) 823-0129

Master Gardeners are volunteers, trained by Texas A&M Agrilife Extension in research-based horticulture including soils, water conservation, composting, entomology, plant pathology and related subjects. As Brazos County Extension Service volunteers, they give to the community by extending research-based knowledge and providing solutions in one-to-one problem solving, in a demonstration garden, educational programs and both in-print and social media. Individuals make application to enter the training.

Brazos County Sheriff's Department:

Sheriff's Citizen's Academy

www.brazoscountysheriff.org
Frank Opitz, (214) 478-9730
frankopitz555@icloud.com

This program gives citizens a first-hand look at how the agency works. Graduates can join the alumni association. This organization assists as volunteers at various activities, including finger-printing children for safety identification and raising funds for additional supplies that the county budget does not address.

Brazos Valley Food Bank:

www.bvfb.org
Virginia Hernandez, (979) 779-3663

To provide vital programs for those who face hunger in the Brazos Valley, the food bank relies heavily on the time and talents of volunteers. Volunteer activities range from assembling food-filled BackPacks for children, passing out food to individuals at a mobile food pantry to participating in nutrition education programs with the Brazos Valley Food Bank staff.

Brazos Valley Symphony Orchestra, Brazos Valley Symphony Society and Friends Association of the Symphony Orchestra:

www.bvso.org / (979) 696-6100

A major component of the Symphony's mission is to promote the musical arts for cultural and educational purposes. Volunteers are needed to assist with the many educational and free programs offered including: children's concerts, Youth Concerto Competition, Symphony Goes to School programs, the Symphony Belles and the 4th of July concert.

Bryan Animal Center:

www.bryantx.gov/animal-center
(979) 209-5260

Bryan Fire Department: Citizens Fire Academy

www.bryantx.gov/fire/community-programs

The Citizens Fire Academy is a 7-week program designed to open the lines of communication between the Bryan Fire Department and the community. The course provides a comprehensive overview of how the department operates and the types of services it offers. There will be hands-on activities as well as a live fire burn at the end of the program. In addition, the alumni of this program are invited and encouraged to continue to assist the Bryan Fire Department.

Bryan ISD Volunteer Program:

www.bryanisd.org/apps/pages/volunteers
Dr. Hugo Ibarra, Coordinator of Community Engagement
(979) 209-1043 or volunteer@bryanisd.org

The Bryan ISD Volunteer Program offers countless opportunities to make a difference. We firmly believe that a strong corps of dedicated volunteers can help us assure student success for every child.

Bryan Police Department: Citizen's Police Academy

www.bryantx.gov/police/special-programs
Mildred Pottinger, (979) 209-5381 or
Officer Kelley McKethan, (979) 209-5350

The goal of the CPA is to educate Bryan citizens about the structure and activities of their police department. The CPA class is not a "training" class, but is an exciting "information" class providing a behind-the-scenes look at the Bryan Police Department. The CPA program operates on the premise that informed and educated citizens will be more supportive of police officers and the department, and will be more productive within their own neighborhoods and communities.

Dispute Resolution Center:

brazosdrc.org / (979) 822-6947

The Alternative Dispute Resolution Center- Central Brazos Valley, Inc. is a private, non-profit, 501(c)(3) corporation committed to providing high-quality, low-cost mediations to Brazos and the surrounding counties. Volunteer training can be provided.

Elder-Aid BCS:

www.elderaidbcs.org / (979) 823-5127

This volunteer-based organization provides services to the elderly, including home repairs, phone buddy telephone contacts, transportation to appointments and yard work.

GED Class Volunteers:

Phyllis James, (979) 595-2801 ext 2313
Phyllis.james@bvcog.org

The Brazos Valley Council of Governments GED program is seeking individuals who love teaching and helping in a classroom setting. Volunteers assist in providing instruction for out-of-school youths and adults in preparatory classes for the GED test and basic literacy. One-on-one tutoring is also needed. These activities take place in the evenings at the Center for Regional Services on 29th Street, Bryan. A perfect opportunity for retired educators.

Habitat for Humanity:

habitatbcs.org

Madeline Zwicke, Volunteer Coordinator
(979) 823-7200

Habitat for Humanity brings people together to build homes, communities and hope. Volunteer opportunities include assisting with office work, helping at the resale store, helping construct a home or translation work.

Habitat for Humanity ReStore:

www.restorebcs.org / (979) 775-8122

Volunteers are needed to help run the resale shop. Tasks may include moving donated items, checking out customers or clerical work.

Health for All:

www.hlth4all.org / (979) 774-4176

Community-supported clinic that relies on volunteers of all types, from medical professionals to students to senior citizens. They need non-medical volunteers to help maintain patient records, assist with scheduling, order medications and help with other clinic tasks. Spanish-speaking volunteers are always needed to serve as translators.

Hospice Auxiliary Brazos Valley:

Hospice Auxiliary Brazos Valley, Inc.
PO Box 9756 College Station, TX 77842
(979) 821-2266

The Hospice Auxiliary raises funds to support the work of Hospice Brazos Valley through the sale of holiday wreaths, tiles, and hosting "Play A Hand for Hospice." Members of the Auxiliary promote community awareness of Hospice Brazos Valley and learn more about the local area through monthly meetings featuring well-known guest speakers on a variety of topics.

Hospice Brazos Valley:

www.hospicebrazosvalley.org
Raschel York (979) 821-2266
ryork@hospicebrazosvalley.org

Hospice Brazos Valley volunteers are an integral and vital part of our hospice team and provide a variety of services benefiting patients, their families and Hospice Brazos Valley staff. All volunteers are provided with the training required to become part of our team. Training time can vary depending on which area of volunteering you consider. Volunteer opportunity options to consider include: patient care, express flower delivery, bereavement & spiritual support, administrative office support, Bryan Thrift Store, fundraising events, outreach and educational events.

Meals on Wheels:

www.bvcaa.org/programs/meals-on-wheels
Melissa, (979) 823-2203

MOW serves more than 500 seniors in the Brazos Valley. Not only do volunteers and staff deliver hot lunch meals five days a week, they also provided much needed social interaction to home-bound seniors. A smile and a quick chat brightens not only the senior's day, but also the volunteer's, and gives reassurance to family that a loved one is well.

Mobility World Wide:

info@MWBV.org / (979) 821-2222

This 501(c)(3) charity makes three-wheeled, hand powered, vehicles for people around the world who have severe leg impairment. Volunteers with welding, carpentry, painting and other "handyman" skills are needed to make these wonderful vehicles.

Saint Vincent de Paul, the St. Vincent de Paul Thrift Store:

www.svdvp-bcs.org/volunteer
Katherine Mondragon, (979) 823-4369 (Thrift Store) or **Bobby Slovak**, (979) 775-7356
svdpbcs300@suddenlinkmail.com

For over 30 years, this Catholic lay organization has provided food, financial assistance, and comfort for those in need in the five parishes of the Bryan-College Station area. Volunteers are needed to assist with home visits or help with the St. Vincent de Paul Thrift Store.

Salvation Army, Salvation Army Women's Auxiliary:

www.bryan.tx@uss.salvationarmy.org
(979) 361-0618

Volunteers are always welcome. Training is provided to assist with disaster relief. Assistance with fundraising events is always appreciated.

Stage Center:

www.stagecenter.net / (979) 823-4297

Stage Center needs volunteers at each performance to work concessions, greet and usher guests. Volunteers see the show for free. Other volunteer opportunities include: production, directors, actors, stage managers, light tech, sound tech, set builders, costumers, make up artists, prop manager and much more.

The Theatre Company:

www.theatrecompany.com/contact-us/
(979) 779-1302

The Theatre Company offers opportunities for amateur actors to sing, dance and emote. But, remember, every show needs a crew to work behind the scenes during performances and rehearsals. The show couldn't go on without them. If you are interested in any of the following, please contact Debbie Prince, business@theatrecompany.com so you can get involved: Stage managing, costuming, set building, sound operating, light operating, properties, painting or accompanist.

Twin City Mission:

www.twincitymission.org
Suzanne Chambers
(979) 822-7511
chamberss@twincitymission.org

For over 50 years, Twin City Mission has been the foundation of support for those in need in the seven counties of the Brazos Valley. It is local people helping local people in need. Volunteers are needed in a variety of capacities from clerical work to assisting in the resale shops.

Voices for Children – CASA of Brazos Valley:

vfcbrazos.org
Kate Mason, (979) 822-9700

CASA volunteers are everyday people who are committed to making a difference for children who might otherwise slip through the cracks in an overburdened foster care system. They are appointed by judges to guide one child or one set of siblings through the system to safe, permanent homes as quickly as possible. CASA volunteers research case records and speak to each person involved in a child's life, including family members, teachers, doctors, lawyers, and social workers. They monitor the progress of the child and family throughout the case and advocate for the child's current and future needs in court in school, and in agency meetings. Their independent evaluations allow the court to make better informed decisions. Volunteers are given 33 hours of training to prepare them for this volunteer opportunity.

Wreaths Across America:

www.wreathsasscrossamerica.org
To volunteer: waaCollegeStation@gmail.com
(757) 478-4747

Help honor and remember Veterans who have served this country and thank them for their service. WAA strives to place a wreath or flag on the grave of every American veteran.

Lake Bryan is the recreation destination! The opportunities for warm weather fun are endless at Lake Bryan, and include fishing, boating, cycling, camping, swimming and live music.

Lake Bryan covers 829 acres with a maximum depth of 45 feet and is stocked with a variety of fish including largemouth bass, catfish, crappie, tilapia, carp and sunfish. The more than 12 miles of hiking and biking trails that surround the lake are popular with families, students, and groups such as the Brazos Valley Mountain Bike Association.

The lake is also the perfect venue for your next birthday party, family reunion, or corporate event. A pavilion can be rented online or by phone to host events within the park. There is also a camping area reserved solely for use by the Boy and Girls Scouts of America.

THE GOOD LIFE, *Texas style.*

- RV sites
with water/electrical hook ups
- 125 acres of usable land
- 12+ miles of bike trails

Visit for the day, or stay a while at either our RV sites or traditional camping sites! Both are in close proximity to grills, picnic tables, and trash receptacles. The lake's location, just minutes from Texas A&M University and Downtown Bryan, is perfect for your next "staycation."
